LGBTQA+ IN NEBRASKA

LGBTQA+ is often used to describe the diverse community of people who are not heterosexual and cisgender.

- **Lesbian:** A woman who is romantically and/or sexually attracted to other women.
- **Gay:** An umbrella term for the community.
- **Bisexual:** The romantic and/or sexual orientation of those who are attracted to people of multiple genders.
- **Pansexual:** The romantic and/or sexual orientation of those who are attracted to people regardless of their gender.
- **Transgender:** Someone who does not identify with the gender they were assigned at birth.
- **Queer:** A term for those who do not identify as heterosexual or cisgender but do not identify explicitly with another term included in LGBTQA+.
- **Asexual:** The sexual orientation of those who do not experience sexual attraction to other people.
- **Aromantic:** Someone who does not experience romantic attraction to other people.
- **Heterosexual:** The romantic and/or sexual orientation of those who are attracted to people of a different gender from themselves.
- **Cisgender:** Someone who identifies with the gender they were assigned at birth.
- **Nonbinary:** Denoting or relating to a gender that is not defined in terms of traditional binary oppositions such as man and woman.
